With industrial design, build quality and high pressure jets, the Kranzle floor cleaner makes quick work of grime, slime, moss and other dirt. Designed for fast and efficient cleaning of patios, paths and flat surfaces.

All spray and dirt splatter is contained by the floor cleaner, minimising clean-up and keeping you clean and dry.

- Twin nozzle for smooth coverage
- Tough poly assembly
- Includes support ring-handle for cleaning walls and other vertical surfaces
- Cleans concrete paths, driveways, decks and patios with ease.
